Please review each of the nominations you have received. Keep in mind that nominations are to cover issues such as reliability, quality of work, initiative, disposition, and contribution to the employer. After reading the nominations please enter the name of your first choice student, then your second, and so on, until you reach the last nomination on your tenth choice. A numerical rating is assigned to the ranking and these will be tabulated with the results of the other readers, to determine the overall selection. The uniqueness of the contribution of the nominee may be used as a tiebreaker.
